

Title III Notification Letter

10/28/2024

Dear Parent or Guardian,

The purpose of this letter is to notify you about important information regarding your child's school regarding how Title III funding is used.

Per NRS 388.406 section 5, The board of trustees of each school district shall post annually on its Internet website information on the manner in which the school district uses money received pursuant to Title III of the Every Student Succeeds Act of 2015, 20 U.S.C. §§ 6812 et seq. Please review the information below regarding how Title III funds are used at our school.

School Specific Actions

- At our elementary school, we utilize Title III funds to support our English Language (EL) students. The funds we receive supplements the Assistant Principal's salary, and the Assistant Principal serves as the school's ELL coordinator and also is the WIDA testing coordinator for the school.
- To increase family engagement of EL students, we ensure that we provide translation and interpretation of communications, academic reports, community events, and more to facilitate stronger connections between the school and parents.
- These supplementary resources and materials are crucial in ensuring our EL students receive the necessary support to reach their academic goals and succeed in the classroom. Title III funds play a vital role in enabling us to provide a comprehensive and inclusive education for all of our students.

For more information about the resources, specific strategies, and tailored school goals, please review the School Performance Plan on your school's website. Additionally, your school's rating report is available at nevadareportcard.nv.gov. Or you may contact Karli Casto at kcasto@pilotednevada.org.

Lastly, parent and family engagement is critical to your child's success. You are welcome and encouraged to become involved in the academic progress of your child's school. Please visit your child's school for information about parent and family engagement opportunities.

Sincerely,

Daniel Bonkobara
Operations Manager
